

HOW TO USE YOUR MES *VISION* PLAN

Receiving vision benefits through a **MES *Vision*** administered vision plan is easy! Covered employees follow these simple steps to better vision:

1. **Select a provider.** Select a participating vision care provider by visiting www.MESVision.com. Obtaining services from a Participating Provider will maximize your benefits.
2. **Make an appointment.** Make an appointment with the MES *Vision* Participating Provider of your choice and inform them of your vision coverage.
3. **You're done! Your doctor will take care of the rest.** The Participating Provider will contact MES *Vision* to verify your eligible benefits and submit a claim for payment for services covered by your plan.

If Covered Services are received from a Non-Participating Provider, the patient is responsible for paying the Non-Participating Provider in full. Patients should submit an MES *Vision* claim form, within 12 months from the date of service, along with an itemized bill and a copy of the prescription to: PO Box 25209; Santa Ana, CA 92799. Claim forms are available at www.MESVision.com.

Vision care doesn't have to be complicated! By selecting any of the MES *Vision* plans, you will provide employees access to the largest vision care provider networks in California with over 16,000 provider locations nationwide. With MES *Vision* you will receive exceptional customer service – all developed to make vision care easy.
