THINKING ABOUT RETIRING!

Attend a Retirement Preparation and Post Employment Program (PEP) meeting to help answer your questions.

Retirement Preparation Meetings - Planning to retire soon? If yes, then you are invited to attend a Retirement Preparation Meeting. These meetings are for all employees in a regular position who plan to retire within the next year. A County of Riverside Retirement Specialist will meet with small groups of employees and provide them with important retirement benefit information. This is a terrific opportunity to obtain answers to your basic retirement questions. Topics include sick, vacation, and annual leave one-time cash-outs six months prior to retirement, filing CalPERS service retirement application, cost of living adjustments, reviewing your benefit options (e.g. medical, dental, vision, and life insurance), 457 Deferred Compensation Plan, and 401(a) Money Purchase Plan. The Post Employment Program (PEP) will also be discussed in the meetings.

Post Employment Program (PEP) for - LIUNA and SEIU. The Post Employment Program (PEP) provides significant tax advantages by directing your leave balance payouts into a Voluntary Employees' Beneficiary Association (VEBA) Health Savings Account. When you retire from County employment, all of your eligible sick, vacation and other qualifying leave will be contributed to the PEP program. To assist you in planning for retirement, meetings have been scheduled to help you understand the PEP program and explain the options available to you. These informational meetings will provide an overview of PEP and explore the VEBA Health Savings Plan in detail. If you are planning to retire from the County of Riverside within the next year, please consider attending one of these informational meetings. **Attending this seminar is strongly recommended at least eight months prior to retirement.**

Post Employment Program (PEP) for - Management, Confidential, Unrepresented, DDAA, and LEMU The Post Employment Program (PEP) provides significant tax advantages for employees with 5 or more years of service, by directing your leave payouts into either a 401(a) retirement account and/or a VEBA Health Savings account. When you retire or end your County employment, you will be asked to make a PEP election. To assist you in making your decisions, meetings have been scheduled to help you understand your PEP options and decide which options work best for you. These informational meetings will provide an overview of PEP and explore the two plan options.

Alternative formats are available. Reasonable accommodation is available if requested at least two weeks prior to the seminar. For assistance, please call Employee Benefits at (951) 955-4981 and select the Retirement option 2.
