This includes enrollment in all County plans: medical, dental, vision, Flexible Spending Accounts (Health Care and Dependent Care) and supplemental life insurance.

YOUR OPPORTUNITY HAS ARRIVED!

Annual Enrollment for County employees begins September 11.

Take advantage of this once-a-year opportunity to confirm your benefits coverage continues to meet your needs. The deadline to enroll or make changes is **midnight on September 29**.

Use this guide to get started. It includes information about the County's plans, rates for the new year and how to enroll online. For further details, visit <http://benefits.rc-hr.com> and refer to the *Your Benefits* guide available on September 11. Printed copies of the benefits enrollment guide will be available at the Enrollment Fairs (see page 3), or you can request one from your Department Representative.

Alternative formats available upon request. Contact the Benefits Information Line at (951) 955-4981 as soon as possible.

HELP IS JUST A PHONE CALL AWAY

We understand the complexities of the health care system, and we want you to have the support you need, when you need it. See page 5 for details about the Advocacy Services program and how it can help you.

PLAN CHANGES

- The maximum amount you can contribute to a Health Care Flexible Spending Account is increasing to \$2,600.
- The Delta Dental PPO Plan will now cover implants. You will pay 40% in-network and 50% after the deductible out-of-network. Routine checkups, cleanings and x-rays will not count toward your calendar year maximum, leaving more benefits for major services.

All other benefits and coverage we currently offer will remain the same, with only a slight increase in some benefit plan rates. For a comparison of our medical plan options, visit <http://benefits.rc-hr.com> and click "Employee Benefits." There you'll find "Benefit Documents," which includes everything you need to help you make the right choice. Remember, if you need help, call an Advocate or attend an enrollment fair. See page 5 for details.

YOUR OPTIONS DURING ANNUAL ENROLLMENT

Annual Enrollment is your opportunity to:

- Change your medical, dental and/or vision elections;
- Add/remove dependents;
- Enroll or re-enroll in a Flexible Spending Account (FSA) for the 2018 plan year;
- Elect or increase Supplemental Life insurance coverage; or
- Participate in the County's Medical Waiver option, which allows you to decline County-sponsored medical coverage and receive reduced flexible benefit credits in the form of cash or other benefits. You must meet the eligibility requirements described in the Memorandum of Understanding or Resolution that governs your bargaining or employee unit, and you must provide information about your other **group** coverage to qualify for the Medical Waiver option.

The benefit elections you make during Annual Enrollment will remain in effect for the entire 2018 plan year (if you remain eligible for benefits). After Annual Enrollment ends, you can make changes to your elections only if they are due to and consistent with a qualified change of status, as defined by the IRS.

HOW TO ENROLL

Online enrollment. To enroll or make changes during Annual Enrollment:

- **Access** the online enrollment system from a County computer or any computer with Web/Internet access at <http://benefits.rc-hr.com> and click "Employee Self Service."
- **Log in** using your Employee Self Service ID and password. This is the same ID and password you use to access your payroll information online.
- **Complete** the enrollment process to make plan changes, add/remove dependents and waive coverage (including providing proof of other group insurance coverage). **If you do not want to make changes to your benefits, you do not need to do anything now; your current elections will continue for 2018. However, if you participate in the Health Care and/or Dependent Care FSA, you must enroll and elect FSA coverage each year.**

IMPORTANT REMINDER

The Dependent Care FSA is for child care expenses while you work. It is NOT for health care expenses for your dependents. Use the Health Care FSA for all your family's health care expenses.

IMPORTANT INFORMATION ABOUT PRIMARY CARE PROVIDERS:

If you enroll in the UnitedHealthcare (UHC) Signature Value HMO or the Exclusive Care plan, you'll be asked to designate a primary care physician (PCP). Talk to your current PCP and confirm whether he or she is part of the UHC or Exclusive Care network. If not, visit www.uhcwest.com or www.exclusivecare.com to locate a primary care physician in your area. Note: If you enroll in the UnitedHealthcare plan, you'll be asked to provide a 10-digit PCP ID number which can be found within the provider search at www.uhcwest.com. If you don't designate a PCP when you enroll, a PCP will be auto-assigned, and you'll need to complete the process to change your provider and receive a new ID card by contacting UnitedHealthcare directly at (800) 624-8822.

Under the UnitedHealthcare PPO, you have the freedom to visit any doctor you choose; however, you'll save on out-of-pocket expenses when you visit a doctor within the plan's network. Visit www.myuhc.com to confirm whether your current providers are within the network. If not, you can continue under their care, but keep in mind that you'll receive out-of-network coverage, which may cost you more.

Remember, if you're currently enrolled in an FSA and you want to continue participating in 2018, you must re-enroll during Annual Enrollment. Your participation in the FSA will not carry over.

JOIN US AT AN ENROLLMENT FAIR

The following services will be available to you at the fairs:

- Representatives from all of the County plans will be available to answer your questions.
- Additional information, such as full-length enrollment guides and provider directories, will be available to help you make your 2018 benefit elections.

SUPPLEMENTAL LIFE INSURANCE

The County provides basic life insurance coverage at no cost to you. Additionally, you may purchase group supplemental life insurance through Standard Insurance Company for yourself, your spouse/domestic partner and your eligible dependents. Deductions for life insurance coverage are taken on an after-tax basis.

HOW TO ENROLL FOR SUPPLEMENTAL LIFE INSURANCE

Enroll by completing the Enrollment/Change Insurance Form available on our benefits website at <http://benefits.rc-hr.com> under "Other Benefits." If you make a choice that requires Evidence of Insurability (EOI), you can link to The Standard's website to complete any required EOI. Review the EOI requirements below to determine if an EOI form is required for your election. Enrolling without completing any required EOI will delay the processing or may result in denial of your application.

The chart below shows the coverage amounts you may elect, when you must provide EOI, and the requirements to increase your existing coverage.

Enrolling during Annual Enrollment (you do not currently have coverage and you are beyond the initial eligibility period)		
Employee Supplemental Life	Spouse/Domestic Partner Supplemental Life	Dependent Child Supplemental Life
EOI required	EOI required	No EOI required

Increasing coverage during Annual Enrollment (you currently have coverage and you are requesting additional coverage)		
Employee Supplemental Life	Spouse/Domestic Partner Supplemental Life	Dependent Child Supplemental Life
You may increase your coverage by one \$10,000 increment without EOI if currently enrolled for less than \$600,000	You may increase your spouse's/domestic partner's coverage by one \$5,000 increment without EOI if currently enrolled for less than \$100,000	No EOI required

Note: You must elect Supplemental Life coverage for yourself in order to elect coverage for your spouse/domestic partner or dependent children. New enrollments or increases of more than \$10,000 for employee coverage or \$5,000 for spouse coverage require you to complete Evidence of Insurability.

This is not the Group Insurance certificate. This is only a benefit summary to highlight supplemental life insurance coverage options. If any discrepancy exists between the summary and the official policy, the official policy will prevail. A detailed description of life insurance coverage is available at <http://benefits.rc-hr.com>.

The rates you pay for supplemental life coverage are based on the group policy number listed for your bargaining unit or employee group.

YOUR QUESTIONS ANSWERED

1. Can an Advocate help me with all of my benefits?

2. How much does it cost me to use Advocacy Services?

WAIVING COUNTY MEDICAL COVERAGE

If you are eligible for the County’s Medical Waiver option, you can waive County-sponsored medical coverage and receive reduced flexible benefit credits. In order to qualify for the medical waiver option, you must do ALL of the following:

1. Meet the criteria, based on your last hire date, described in the most recent Memorandum of Understanding or Resolution that governs your current bargaining unit or employee group.
2. Elect the “Medical Waiver” (MEDWAV) option when completing your online enrollment. This is an important step. DO NOT select the option labeled “Waive,” or you will lose your flexible benefit credits. The “Waive” option means you are declining coverage and participation in the Cafeteria Plan and waiving flexible benefit credits.
3. Complete a “Decline Coverage Acknowledgment Form” acknowledging that the County has offered affordable coverage under the Affordable Care Act but that you have declined coverage.
4. Provide proof that you are covered by other **group** medical coverage (for example, your spouse’s medical plan). **Note: Coverage under the Covered California™ exchange is not group coverage and therefore does not meet the requirement for the Medical Waiver option.**
5. Enroll in at least one of the other County-sponsored health care plans, such as dental, employee-paid vision or the Health Care FSA. If you are using the Health Care FSA, remember that you must re-enroll in this coverage each year during Annual Enrollment.

Rules and requirements for medical waiver eligibility are discussed in the full enrollment guide. **If you elect to waive (decline) medical coverage but do not meet the criteria above, you will not receive flexible benefit credits.**

PAYING FOR COVERAGE

Changes to Your Contributions. Your contributions toward your health care coverage will change. Please see below for 2018 benefit plan rates.

Flexible Benefit Credits. To help you with the cost of benefits, the County of Riverside provides flexible benefit credits. You may also qualify for a premium subsidy if you are in an eligible bargaining unit and elect to enroll one or more dependents. The flexible benefit credits you receive and your eligibility for a premium subsidy are determined by the applicable union Memorandum of Understanding or Resolution that governs your bargaining unit or employee group. See the tables below for the flexible benefit credits and premium subsidy you may receive, starting with pay period 25/2017 (paid to you on the December 6, 2017 pay warrant, for January 2018 premiums).

Premium Subsidy. Employees in the SEIU and LIUNA bargaining units are currently eligible for a premium subsidy as provided in the applicable Memorandum of Understanding (MOU). The medical premium shown on your personalized enrollment statement has been reduced to reflect this additional employer-paid contribution. If you are in either of these two bargaining units, please see the table below for the premium subsidy contribution provided as a reduction to your 2018 medical plan premiums.

2018 PREMIUM SUBSIDY FOR SEIU AND LIUNA			
Monthly Premium Subsidy	Semimonthly Premium Subsidy	Monthly Premium Subsidy	Semimonthly Premium Subsidy
Family Coverage		Two-Party Coverage	
\$100.00	\$50.00	\$25.00	\$12.50

Health Care Rates for 2018. Rates are deducted semimonthly (twice a month), which means deductions are taken from your paycheck for 24 pay periods each calendar year. When you receive a third check in a month (the “free” pay period), it will not include a flexible benefit credit or a deduction for your health plans, unless you owe for uncollected premiums. To see your net out-of-pocket cost for health care coverage, remember to subtract your flex credit (shown above) from the premiums shown on the following page. These rates DO NOT reflect the premium subsidy for SEIU and LIUNA members. Your bargaining unit or employee group determines which medical plans you may choose.
