**How it works:**

- 1) Register from your computer, mobile app, or over the phone to create a SCAN account.
- 2) Select your Specialist (Specialists are board-certified and have an average of 15 years of experience).
- 3) After the appointment, MDLive will send discharge instructions to you via the patient portal and secure email.
- 4) If medications are needed, MDLive will e-prescribe prescriptions directly to your doctor or pharmacy.
- 5) You will pay a \$40 copay for the virtual visit by being a SCAN member.
